

I can still recall Our last summer I still see it all

Walks along the Seine Laughing in the rain

Our last summer Memories that remain

We made our way along the river

And we sat down in the grass by the Eiffel tower

I was so happy we had met It was the age of no regret

Oh, yes

Those crazy years That was the time of the flower-power

But underneath We had a fear of flying

Of growing old A fear of slowly dying

We took our chance

Like we were dancing our last dance

I can still recall Our last summer

I still see it all

In the tourist jam Round the Notre Dame

Our last summer Walking hand in hand

Paris restaurants Our last summer

Morning croissants

Living for the day Worries far away

Our last summer We could laugh and play

And now you're working in a bank The family man, a  
football fan

And your name is Harry

How dull it seem Yet, you're the hero of my dreams

I can still recall Our last summer I still see it all

Walks along the Seine Laughing in the rain

Our last summer Memories that remain
